Dear Parents/Carers,

Years 4 & 5 only

As a partner school of the Archdiocese of **Liverpool Schools Singing Programme** (SSP), we are thrilled to be invited to participate in an exciting new project called The Schools Singing Programme Digital Songbank.

This project aims to create an online video collection of songs for our children and our partner schools to enjoy online.

Each song in the **SSP Digital Songbank** will be video-recorded by a different school in the programme, showcasing the wonderful talent and diversity within our school, and Liverpool.

These videos will then be made available to all SSP partner schools by way of a private YouTube channel, allowing your child to sing along with their peers from other schools in the archdiocese (and other schools to sing along with your child!), learn new songs, and further develop their love of music.

Can you please respond to this email or mail office@sthughsprimary.co.uk to confirm you agree for your child to take part in this fantastic opportunity.

I agree/disagree for my child to be recorded as part of this project and posted on the official SSP Digital Songbank YouTube channel.

If you would like any more information please do not hesitate to contact the school office.

Kind regards,

Mrs A Flood

Head of School
